Re: *Ex Parte* Presentation
MM Docket 99-25
In the Matter of Creation of a Low Power Radio Service

Dear Ms. Dortch:

Edgewater Broadcasting, Inc. and Radio Assist Ministry, Inc., (the “Ministries”) hereby notify the Commission, pursuant to Section 1.206(b)(2) of the Commission’s Rules that on May 24, 2006, Clark Parrish an officer and director of each of the Ministries, his daughter, Sarah Parrish and the undersigned counsel, met with Heather Dixon of Chairman Martin’s staff regarding MM Docket 99-25.

During the half-hour meeting with Ms. Dixon, the Ministries discussed the following issues related to MM Docket 99-25:

- The history, nature and purpose of each of the Ministries and the integral nature of translators to the development of their local and regional broadcast ministries.
- The freeze on non-mutually exclusive FM Translator applications and importance of continuing processing of applications properly filed in the Auction 83 window.
- The idea that LFPM and FM translator services are not mutually exclusive and that each can survive as a viable service along side the other. Copies of the maps provided to Ms. Dixon are attached.
- The importance of moving the docket forward to resolution without further delay.
